GENERAL RULES

(History: Eff. Oct. 17, 2001.)

R 299.922 Unlawful acts generally. Rule 22. On lands owned or under the control of the department, it is unlawful for a person or persons to do any of the following: (a.) To enter, use, or occupy state-owned lands for any purpose when they are posted against entry, use, or occupancy, as ordered by the department. (b.) To dispose of refuse, rubbish, trash, or garbage not resulting from the use of state-owned lands in receptacles provided on state-owned lands. (c.) To set fire to the contents of a trash container. (d.) To place or burn garbage in a fire ring or stove, or bury refuse, rubbish, trash, or garbage, regardless of its origin. (e.) To engage in any violent, abusive, loud, boisterous, vulgar, lewd, or otherwise disorderly conduct, or to lounge, sit, or lie upon walks, roads, or paths obstructing the free passage of another person. (f.) To place or erect a fence or barrier, to construct or occupy improvements, or to enclose the lands. (g.) To move, remove, destroy, mutilate, or deface posters, notices, signs, or markers of the department of natural resources or any other agency of government. (h.) To destroy, damage, or remove trees, shrubs, wildflowers, grasses, or other vegetation. Except in wildlife food plots, this subdivision does not apply to picking and removing mushrooms, berries, and edible fruits or nuts for personal use. (i.) To peddle or systematically solicit business of any nature; distribute or post any handbills or other advertising matter; post signs; paint or otherwise mark any tree or rock on any lands, waters, structures, or property; or use such areas for commercial operations. (j.) To possess a glass container within any land or water area that is designated as a bathing beach or a land or water area that is regularly used for sunbathing, swimming, or wading. (k.) To obstruct any road or trail in a manner that hinders public access to the lands. (l.) To park vehicles of any type in areas posted as no parking; or, where designated parking areas exist, to park vehicles of any type in an area other than the designated parking area. If a motor vehicle is found parked on state lands, then the license plate displayed on the motor vehicle shall constitute prima facie evidence that the owner of the vehicle is the person who parked it there. (m.) To hold events including, but not limited to, races, endurance contests, tournaments, or trail rides, unless the events are conducted pursuant to a permit. The permit may include a charge to the sponsor or permittee for the use of the land. An event may require a performance bond to insure permit compliance and may require public liability insurance. The department may waive the requirement for a permit for events where the number of participants is 20 or more individuals if the department determines that the event will not require department oversight and the event will have a minimal impact on the use of the lands by others. (n.) To use a loudspeaker, public address system, or sound-amplifying equipment of any kind, except for an electronic game-calling device that is lawfully used while hunting, or to operate a motor, motorboat, motor vehicle, radio, television, generator, or any other device in a manner that produces excessive noise. (o.) To use or operate any wheeled, motorized vehicle in the Upper Peninsula of this state, except on a designated route, a designated trail, a designated area, or a forest road not otherwise posted as closed to the use of motorized vehicles or entry. (p.) To use or operate any wheeled, motorized vehicle in the Lower Peninsula of this state, except on a designated route, a designated trail, or a designated area. A wheeled, motorized vehicle that is properly registered under 1949 PA 300, MCL 257.1 et seq. may be operated on a forest road not otherwise posted as closed to the use of motorized vehicles or entry. (q.) To camp in a state park, recreation area, public access site, or designated campground on other than a designated site. (r.) To camp in any designated campground, access site, or location in a state forest or state game area for more than 15 consecutive nights in a calendar year. To be considered a new camp, the location shall be not less than 1/2 mile from the previous camp. (s.) To leave a campsite unoccupied for more than a 24-hour period after the camp is established. A campsite is considered to be occupied if at least 1 member of the camping party is in attendance during the nighttime hours. (t.) To store or leave a watercraft, fish shanty, or other property on state lands for more than 24 hours. This provision does not apply to lawfully occupied designated camping sites or to ground blinds and tree stands that meet legal requirements. (u.) For more than 1 single family or more than 4 unrelated persons to camp on 1 designated campsite. For the purposes of this subdivision, a single family includes parents or guardians and their children. A single family may include other relatives if not more than 1 recreational vehicle, camping trailer, or pickup camper is used and if there are fewer than 9 individuals. (v.) To ride or lead a horse, pack animal, or other riding animal, or any animal-driven vehicle on any area, except on roads that are open to the use of motor vehicles, trails, bridle paths, and campgrounds designated for such use by the department and on state forest lands not posted closed to such use or entry. (w.) To operate the motor or motors of a vessel at more than idle speed at any boat launch ramp administered by the department, unless the propeller is disengaged.
